

Nature Day Camp Head Counselor Position

Eagle Creek Park, Earth Discovery Center

**City of Indianapolis Department of Parks and Recreation
Environmental Education Division
Seasonal 10-week position**

Open Date(s): Eagle Creek Park currently has 3 seasonal head counselor nature day camp positions open for applications.

Position Summary: Head counselors will receive hands-on environmental education teaching experience in a summer-long nature day camp program. The head counselors will assist in the preparation and presentation of camps for children ages 3-11. The head counselors should be comfortable working with children in the out-of-doors.

Qualifications: A major or equivalent experience in Interpretation, Recreation, Environmental Education, or Education is preferred. Program development and presentation experience is strongly desired. Must possess excellent communication skills and a personality that lends itself to being friendly, creative, energetic, patient, and diligent. A valid driver's license and **First Aid/CPR certification is required.**

Working Relationships and Conditions:

- The Eagle Creek Camp Coordinator will provide supervision. Head counselor must be a self-starter and be able to work independently.
- Moderate to excellent physical abilities are required for some long hikes and semi-strenuous outdoor activities.

General Information:

Starting Date: May 19, 2014 (10-week seasonal position)

Camp Training: May 19-23, 2014

Work Hours: Monday – Friday from 8:30 a.m. – 4:30 p.m.

To apply—go to indy.gov/jobs and click on the Seasonal/Temporary Opportunities link

Pay range is \$8.75 - \$9.25 depending on education and experience
